

Applicant: Robert C. Stein
Application No.: 09/866,291

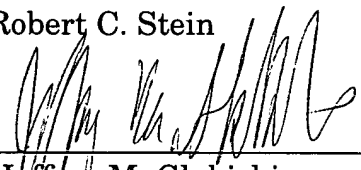

REMARKS

In the Office Action, claims 1-6 were objected to because of informalities. As suggested by the Examiner, a revision to claim 1 was made. Claims 7-18 were rejected under 35 USC § 112, second paragraph. Certain limitations in the claims were indicated as lacking support in the specification. Since these claims were in the original application, a paraphrasing of these claims has been added to the specification in the newly added paragraphs. Accordingly, these claims are now supported by the specification. Since these claims were in the originally filed application, no new matter has been added.

Reconsideration and entry of this amendment is respectfully requested.

Respectfully submitted,

Robert C. Stein
